HÅFA ADAI & WELCOME TO ROY'S

Established in 1993, Roy's Guam set out to bring the "Aloha Spirit" to the island of Guam. Overlooking Tumon Bay, our restaurant is influenced by the great philosophy that Roy Yamaguchi has built his career on.

You will find an assortment of Asian Pacific flavors blended with European techniques as Chef de Cuisine, Charles Biala takes you on a flavorful experience. Featured on our menu, you will find a collection of local ingredients, specialty items, as well as some of Roy Yamaguchi's signature dishes.

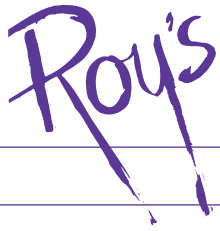

Enjoy, Si Yu'os Ma'åse'.
