About Toys for Tots

The U.S. Marine Corps Reserve Toys for Tots Program collects new, unwrapped toys and distributes them to economically disadvantaged children during the Christmas season, bringing joy and hope to families in need. Established nationally in 1991, Toys for Tots has become one of the nation's most trusted and impactful holiday charities in the United States including Guam, helping to ensure every child experiences the magic of Christmas.

About Todu Guam

Founded in 2016, the Todu Guam Foundation is a nonprofit organization dedicated to reducing health disparities and advancing health equity across Guam. Inspired by the vision of former Senator Dennis G. Rodriguez, Jr., who identified the urgent need for accessible healthcare among vulnerable populations, TGF began with Guam's first mobile health clinic and a free medical outreach program serving uninsured and underinsured residents.

New Year's Eve Long Life Noodles

December 31 • 10:00pm
Hilton Main Lobby

Toshikoshi Soba, or Long Life Noodles, is a New Year's tradition in Japan that involves consuming buckwheat noodles on New Year's Eve for good luck.

Originating approximately 800 years ago during the Kamakura period, this practice is believed to have begun at a Buddhist temple where soba was generously distributed to the poor on New Year's Day.

Over time, during the Edo period, the consumption of toshikoshi soba on New Year's Eve evolved into an enduring custom embraced by people throughout Japan, a tradition that continues even today.
